

FOR IMMEDIATE RELEASE

TREASURE ISLAND OFFERS UNIQUE OUTDOOR WEDDING VENUE

Get Married on TI's Siren Ship

LAS VEGAS – The big day is here. The wedding guests arrive and are seated along an outdoor boardwalk in front of a magnificent Mediterranean hideaway overlooking Sirens' Cove. The groom, best man and ship's "captain" board a dramatic ship and anxiously await the bride's entrance up a rose-covered staircase.

Yes, the Enchantment Wedding Package at Treasure Island is back. Couples can create a fun and memorable event by marrying on the *Song*, the Sirens' ship located in Sirens' Cove. This ship, which overlooks the Las Vegas Strip, is part of the outdoor production, *The Sirens of TI*®.

The ship's captain will unite couples while the invited guests view the vow exchange from the adjacent boardwalk. One pirate even swings down from the crow's nest to deliver the wedding rings, adding a dramatic touch to the event. For the right amount of gold, rogue pirates will serve as witnesses to the nuptials.

"To celebrate a couple's everlasting devotion to one another, we have created this exciting outdoor experience," said Diana Ritchie, director of Hotel Operations at TI. "Couples today are looking for a unique wedding venue to create special memories and the Enchantment Package delivers on that promise."

The package features the full wedding ceremony including the officiant, bridal bouquet, elegant floral décor, personalized wedding music, a photography package and much more. Honeymoon suites also can be arranged at TI. The Enchantment Package ranges from \$2,599 - \$3,469 plus tax.

For more information and package details, visit the resort's website at www.treasureisland.com, or call the Wedding Chapels at Treasure Island at (702) 894-7700 or toll free at (800) 866-4748. For those seeking a more traditional venue, additional packages are available inside TI's beautifully decorated wedding chapel.
